EDUCATION

B. Tech, Computer Science and Engineering (Artificial Intelligence and Machine Learning) 2024
CMR Engineering College CGPA - 8.22

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, JavaScript, Python, Data Structures
- **Developer Tools:** VS Code, Git, GitHub, AWS
- **Frameworks/Tools:** Node.js, React.js, Express.js
- **Web Technologies:** HTML, CSS
- **Databases:** MY SQL, MONGO.DB
- **Strong demonstrated debugging and problem-solving skills**
- **Excellent communication and presentation skills**

EXPERIENCE

AICTE INTERNSHIP (AWS): May-June'23

- **AWS Cloud Foundations & AWS Machine Learning:**
The internship primarily focused on two modules: Cloud Foundations and Machine Learning. It provided practical expertise through concept-related lab assignments, expertise checks, and learning about Cloud Foundations, Machine Learning Concepts, and Algorithms.

ACADEMIC PROJECTS

Translate GO May-Aug'22

- The B.Tech academic project aimed to translate local dialects into universal languages and provide the translated results back to the local dialects. Machine learning and natural language processing (NLP) were utilized in the development of the project.

An Interactive Web application to track COVID-19 Protocols in real-time Feb'23

- The objective of the minor academic project was to develop a dependable human recognition system using convolutional neural networks, with a specific focus on adhering to COVID-19 guidelines.

ACHIEVEMENTS

Coding Challenges

- Completed Full Stack Development course from CareerX.
- Placed second in AICTE's [Smart India Hackathon](#) held on October 2022 at Kolhapur. [View](#)
- Obtained an all-time [1564](#) Global Rank in **Smart Interviews** [View](#)
- Solved **120+** Problems from **Hackerrank Smart Interviews Primary** [View](#)
- By participating in more than ten contests(maximum: 1440), I earned two stars on [CodeChef](#) [View](#)
- Received a 5-star rating on the **Hackerrank** platform

CERTIFICATES

- Certified with Spoken Tutorial by IIT BOMBAY: [JAVA](#), [PYTHON](#)
- Certified in [JAVA](#) at Hackerrank Platform.
- [Cloud Foundation](#) from AWS ACADEMY
- [Machine Learning Foundation](#) from AWS ACADEMY
- [Introduction to Robotic Automation Process](#) of AUTOMATION ANYWHERE in 2020
- [Introduction to Cyber Security](#) by CISCO NETWORKING in 2020
- 2 Times **English Club** Certificate Holder

EXTRACURRICULAR ACTIVITIES

- Secured second position in Kabaddi held on Intra College Sports Fest.
- Co-Founder of the Machine Learning Club at College
- Attended Swecha State Conference at Gachibowli

HOBBIES

- Usually, I code at Hackerrank in my free time.
- I play cricket in my free time.

LANGUAGES

- ENGLISH, TELUGU, HINDI
